We, the Annual Staff, hereby dedicate this 1952

edition of THE BECKVILLIAN to the Bearcat Band.

IN MEMORY

OF

PETE PELLHAM

SUPERINTENDENT'S MESSAGE

Dear Students:

As you turn the pages of this 1952 issue of THE BECKVILLIAN and think back over the School-Year 1951-52, I am sure that you will draw many comparisons with days gone by, and appreciate the changes which have been made in the physical plant as well as in the general school program during this school year. We sincerely hope that these improvements have not only added to your comfort, but have been conductive to a better learning atmosphere May I solicit the aid of each of you to use these facilities in such a way that you will not only get the most benefit from them, but that they will be preserved for the use of those students who come after you.

May each of us continue to work toward making the Beckville School System one of the best in the state. With your spirit and determination, I am sure that we will not fail.

Sincerely,

C. E. Beauchamp
